Subject: NCHCG Superfund Tolling Agreement

Sharon:

As you know, we represent Arkwin Industries, Inc. in connection with the New Cassel Hicksville Contaminated Groundwater Superfund. Our client signed the revised Tolling agreement. However, similar to certain other Respondents, we are holding the Tolling agreement in escrow pending confirmation that there are other signed agreements or similar escrow letters from all of the named parties in this matter. As soon as you can provide confirmation of this, we will be authorized to release our client's Tolling Agreements from escrow and transmit it to you for acceptance and signature on behalf of EPA.

Regards,
